Resources Needed

What resources (information, support, time, or finances) will you need to achieve this goal?

Are the steps clear and achievable?

Do you have the necessary resources to move forward?

What additional support would be beneficial for you?

Support System

A strong support system can greatly enhance your ability to achieve your goals.

Who can you rely on for support as you work toward your goals?

How can these resources or people assist you?

What specific steps will you take to put these support systems into action?
